MARCH 7-8
CHARLOTTE, NC

 **BIESSE**

Thursday and Friday, 8:30am-5:30pm
Put our Charlotte Campus Spring Event on your calendar now!

Our Spring **Inside Biesse** at our Charlotte Campus offers you an exciting insider's preview of Biesse's most innovative technologies, integrated solutions and exceptional services. Everywhere you look, game-changing new machinery is fully powered up and ready to help you shape your future!

In addition to an exclusive opportunity to see our amazing machine lineup, you can consult one-on-one with product managers who have individually worked in the woodworking industry for more than 20 years. They know everything there is to know about Biesse's competitive advantages and how we can help increase your production, impress your customers and improve your bottom line.

Come live the Biesse Experience! Join us and get up-to-speed with the latest and greatest ways to achieve your own Factory of the Future through integration, interconnection, automation and digitization.
